## Empowering Change, One Life at a Time

God's Grace Foundation is a non-governmental foundation that was started in the year 2019 on a faith and religious based foundation. God's Grace Foundation (GGF) is a foundation aimed at helping orphans, street kids and adults. We are a non-government foundation that supports community development through giving children a good life with supplies such as food, shelter, clothes & supporting environment to realize or fulfill their dreams & better the lives of Ugandans. Our foundation program majorly targets the vulnerable children, adults & elderly in the community especially orphans due to HIV/AIDS and the needy poverty-stricken families. Bringing back hope for the hopeless Our major aim is to ensure that we maintain a healthy and prosperous environment. We revive that lost hope among the less privileged and vulnerable people through our programs like:

- Community based projects.
- Support and Guidance.
- Clothes for the needy.
- Food against hunger.
- Home and shelter.

### **Mission:**

At God's Grace Foundation, Conducting and enhancing open heart ministry for the needy children around our country and protecting their rights and we are dedicated to making a positive impact on communities through compassion, empowerment, and sustainable development. Our mission is to uplift lives by providing education, healthcare, and opportunities for growth to those in need.

### **Vision:**

Our vision is to reach out to the orphans, vulnerable children and elderly starving in our country and a world where every individual has the chance to fulfill their potential, regardless of their circumstances. Through collaborative efforts and unwavering commitment, we aim to create lasting change that extends far beyond the borders of our programs.

### **Our Motto:**

Concern for a starving heart.

### **Our Programs:**

Thirty (30) children and over Twenty (20) adults under our care but there are still more recorded cases of vulnerable children and adults but we cannot take care of them because of the limited resources, accommodation, space and facilities inclusive and this project is being proposed to faster solution to the stated problem.

### **1. Education for All:**

We believe that education is the foundation of progress. Our comprehensive educational initiatives provide underprivileged children and adults access to quality learning resources, scholarships, and vocational training. By equipping them with skills, we're breaking the cycle of poverty and paving the way for brighter futures.

## **2. Healthcare Empowerment:**

Good health is a fundamental right. Through partnerships with local medical professionals and institutions, we offer medical camps, health education, and essential healthcare services to communities lacking access to proper medical facilities.

## **3. Community Development:**

We understand that sustainable change requires community involvement. Our community development projects focus on infrastructural improvements, clean water access, and creating safe spaces for personal and collective growth.

### **Impact Highlights:**

- Over 4 years, we've touched the lives of individuals across several communities.
- 0.8% increase in school enrollment rates in areas where we've established educational programs.
- 1% reduction in waterborne diseases due to our clean water initiatives.
- Improve African child thinking through supporting them in education.
- We promote children and human rights advocacy.
- We offer food, clothes & shelter to the orphans, vulnerable and elderly

### **Transparency and Accountability:**

We believe in complete transparency. As a registered nonprofit, we adhere to rigorous financial reporting standards, ensuring that every penny donated is invested in the lives we aim to change. Our commitment to accountability is the cornerstone of our reputation and the trust our supporters place in us.
